## WARRANTY TERMS

The product warranty period is calculated from the day of purchase. Customers must complete the warranty registration card within 14 days and send it to the Casablanca company address together with a copy of the invoice.  
To ensure the processing of all applications, customers must provide clear photos of the affected products and the original receipt to confirm their manufacturing date.  
If the mattress has been repaired or replaced during the warranty period, the warranty year will not be recalculated.

**Excluded Warranty**  
1) Not caused by official or authorized dealers.  
2) Long-term repair or replacement or technical services during normal use.

**Not applicable Scope of Warranty**  
1) Non-woven mattress, including foldable, sound-absorbed products, and slatless bed.  
2) Mattresses for use in special products, commercial products, and caravans.  
3) Any uncleaned spots.  
4) Bed symptoms:  
a) Bedding accumulation  
b) Bedding mold/mildew

**Warranty terms**  
1) 10-year full bed warranty.  
2) The user is responsible for the final disposal of the mattress for the warranty period.  
3) Free check-up for bed price, and the annual inspection fee is USD300 (tax-free).

**The bed's warranty includes:**  
1) Daily wear and tear (including body indentation, pilling, fading, material oxidation and etc.).  
2) Physical impairment (including any physical damage caused by sharp tools and objects, chemical damage from liquid spillage and the stains, and discoloration of fabric, stain or odour).  
3) The edge height reduction (within the warranty period) due to the degradation of the structure, resulting in problems caused by handling and the product's durability caused by peeling, drying or breaking in high humidity, excessive sun exposure and the use of bed coverings, etc.  
4) Unpleasant or noisy sounds, including the mattress and springs, how that do not affect the overall user experience.  
5) Structural damage (including the frame, base, slats, etc.).  
6) Bedding or other accessories (including the bed, bed cover, etc.).  
7) The replacement of the original manufacturer's parts.

Users must contact the seller 1 year from the date of purchase. The standard depreciation rate will be reviewed. The depreciation rate, calculated by the depreciation percentage of the previous year's price (P0) is as follows:

|           |      |
|-----------|------|
| 2nd Year  | 30 % |
| 3rd Year  | 30 % |
| 4th Year  | 40 % |
| 5th Year  | 50 % |
| 6th Year  | 60 % |
| 7th Year  | 70 % |
| 8th Year  | 70 % |
| 9th Year  | 70 % |
| 10th Year | 70 % |
