Fiona is writing her blog about her family holiday at Disneyland. Proofread her blog. Underline the mistakes in the use of conditionals and make corrections at the right column. Insert ‘^’ in the passage and put the missing words in the blanks. Put a tick in the blank if the line is correct.

<p>Dec 28, 20XX</p> <p>If my family <u>will get</u> a long holiday, we will go travelling together. We travel overseas if we spend the holiday together. Yet, this year we stayed at Hong Kong Disneyland Resort during our winter holiday. We spent two nights there only. If we had a longer holiday, we will have spent even more time there.</p> <p>The weather was fine during our stay at Disneyland. Had it rained, we would not enjoyed ourselves so much. I took many photos of the parade. There are also a lot of great places to take photos. Have Natalie, my friend who loves taking photos, gone with us, she would have be overjoyed!</p> <p>We spent one day exploring all the games. My sister is happier if there were more rides for her. Luckily she had fun shopping at the Disney store. She probably buy up all the goods at the store if she will be rich enough!</p> <p>The hotel we stayed at is marvellous. The rooms there are comfortable and beautifully decorated. Yet, we will be more pleased if the food there is more delicious.</p> <p>On the second night of our stay, there was a huge wedding banquet held in the hotel. If I get married, I organise my wedding in the Disney hotel. Anyway, we had a fabulous time!</p>	<p>1. <u>get</u></p> <p>2. <u>will</u></p> <p>3. <u>✓</u></p> <p>4. _____</p> <p>5. _____</p> <p>6. _____</p> <p>7. _____</p> <p>8. _____</p> <p>9. _____</p> <p>10. _____</p> <p>11. _____</p> <p>12. _____</p> <p>13. _____</p> <p>14. _____</p> <p>15. _____</p> <p>16. _____</p> <p>17. _____</p> <p>18. _____</p> <p>19. _____</p>
