

Complete the exercise below with the words from the word box.

regard	enriched	enamoured	herd
barristers	uncharted	audition	

1. Natalie Portman began her career as an actress after winning the _____ for the role of an orphan child in the film *Léon: The Professional*.
2. Solicitors only attend the lower courts, answer legal advice and so on, whereas _____ may defend their clients in the higher courts.
3. Foreign film critics were _____ with the artistic way in which Bruce Lee presented martial arts: as a kind of war dance instead of just another boastful see-how-manyguys-I-can-beat-up parody.
4. As a student, former US president Barack Obama _____ his life by writing poems. Surprisingly, they were praised by Harold Bloom, a famously harsh literary critic.
5. To follow the _____ in making important decisions, though it might sound boring and uncool, is nevertheless one of the safest ways to avoid danger and risks.
6. We may see these leftover foods, far from appealing yet still fresh, as waste to be disposed of. However, the needy may _____ them as what makes a feast.
7. Although the mankind has been curious about the universe for centuries and exploring it for decades, much of it is still an _____ territory.
