Tapescripts for Section A

Part 1

Narrator: Elisa is listening to an introduction given by a chocolate factory owner called Leo. Listen carefully and choose the best answers for Questions 1-5. You have 30 seconds to study the questions. You may start now. Listen carefully. The introduction will begin now.

Leo: Hi everyone. Welcome to Healthy Chocolate Factory. Thank you for visiting my factory. Today, you will learn about different types of chocolate, and you will have a chance to make chocolate by yourself. At the end of today's tour, you can buy different flavours of chocolate at the souvenir shop near the exit. Before that, I would like to share about the reason why I set up this factory.

I guess you all love eating chocolate, right? When I was small, just like all of you, I love eating chocolate. But my parents did not allow me to eat a lot because it is unhealthy. At that time, I thought, why must chocolate be unhealthy? If there is healthy chocolate, we don't need to worry about getting fat after eating. From then on, I dreamt of setting up a chocolate factory which makes healthy chocolate. Therefore, I studied Food and Nutrition in university. At the same time, I worked as a part-time salesperson at a famous chocolate shop. I learnt so much about chocolate there. After graduation, I opened this factory and kept making chocolate with natural and healthy ingredients. I wish this can make chocolate a healthy snack in your daily life.

All right, I think you have a brief understanding about the background of my factory now. You may now come with me and we will have a look at the chocolate exhibition next door.

Narrator: Check your answers now.

Number One. At the end of the visit, Elisa can _____.

Number Two. When Leo was young, he liked _____.

Number Three. Which of the following is TRUE about Leo?

Part 2

Narrator: Elisa is discussing with her father where to go during the Chinese New Year holiday. Listen carefully and choose the best answers for Questions

6-10. You have 30 seconds to study the questions. You may start now.
Listen carefully. The conversation will begin now.

- Elisa: Dad, are we going to travel during the Chinese New Year holiday?
- Dad: Yes, my dear. I think we can go to Hangzhou. The scenery in Hangzhou is beautiful! We can visit the famous West Lake.
- Elisa: But Mum told me last week that she wanted to visit other countries.
- Dad: Oh, really? Then maybe we can go to Los Angeles in the USA? I think your mum would love the spa resorts there. We can see the Hollywood sign there too.
- Elisa: Great! Wait, Dad. We need to go to the Chinese New Year party at Uncle Raymond's home. That would be on 8th February. We need to be back at Hong Kong no later than 7th February.
- Dad: Then we would have less than a week for travelling. I'm afraid we can't go to Los Angeles.
- Elisa: What a pity. How about Vietnam? I think it is an interesting place.
- Dad: People there also celebrate Chinese New Year too. I guess many restaurants and shops will be closed that time. It may be inconvenient for us.
- Elisa: You're right, Dad. How about going to Japan? I heard that most people there don't celebrate Chinese New Year.
- Dad: That's a good suggestion! We can stay there for five days starting from 3rd February, then we can come back on 7th February and join the party on 8th February.
- Elisa: We can also visit Mr Suzuki's restaurant again in Tokyo!
- Dad: I thought you forgot about that already as you were really small when we met Mr Suzuki.
- Elisa: I could still remember that he invited us to his restaurant. He was so friendly and the noodles he cooked were delicious. Also, I love playing with his daughters Kana and Yumi.
- Dad: Nice. Let me call him to tell him about our trip.
- Elisa: Thanks Dad. But we should tell Mum about our plan first before that.
- Narrator: Check your answers now.
- Number Six. Why does Elisa NOT want to visit Japan?
- Number Seven. When will Elisa and her family go to their trip?
- Number Eight. What does Elisa's dad know about Vietnam?
- Number Nine. From the conversation, we know that Mr Suzuki _____.
- Number Ten. After the conversation, Elisa and her dad will first

_____.

Part 3

- Narrator: Elisa is calling a toy shop to order a teddy bear. Listen carefully and complete the order form for the shopkeeper. You have 30 seconds to study the form. You may start now.
- Listen carefully. The conversation will begin now.
- Shopkeeper: Hi, this is Funny Toys. How may I help you?
- Elisa: Hello, I want to order a teddy bear for my little sister's birthday.
- Shopkeeper: No problem. Let me get an order form first. OK, first, please leave your name and contact number.
- Elisa: My name is Elisa Lee, L-E-E for Lee. My phone number is 9262 7227.
- Shopkeeper: OK. What size of teddy bear do you want to order? The 20-inch teddy bear is our most popular product.
- Elisa: A 20-inch teddy bear would be a bit big for my little sister. I'd like a 15-inch teddy bear, please.
- Shopkeeper: All right. 15-inch. Let me tick this box. There is a ribbon on every teddy bear. What colour do you prefer?
- Elisa: Hmm, my sister's favourite colour is yellow. Do you have yellow ribbons?
- Shopkeeper: Sorry, we do not have yellow ribbons. How about a green one?
- Elisa: Do you have the pink one? She likes pink too.
- Shopkeeper: We have that. Let me tick this box then.
- Elisa: Thank you. You can sew a few words on the teddy bear's foot, right?
- Shopkeeper: Yes. What words would you like to write on the bear?
- Elisa: As it's my little sister's birthday, I'd like to write 'Happy 8th birthday'.
- Shopkeeper: No problem. We will sew 'Happy 8th' on its left foot and 'birthday' on its right foot.
- Elisa: Thanks! Oh yes, rather than a brown teddy bear, I would like to have a white teddy bear, please.
- Shopkeeper: OK. Let me write this down under 'Remarks'. A white teddy bear. Done. The original price of the bear is \$400, but we are having a promotional sale. You can have a 30% discount for ordering any bear bigger than 12 inches.
- Elisa: That's great! Then I just have to pay for a total amount of \$280!
- Shopkeeper: Yes, that's right. Please pay when you pick up the teddy bear. When would you like to pick it up?

Elisa: My sister's birthday is on 24th March, so I will come on the day before, which is 23rd March.

Shopkeeper: OK. Thank you for your ordering!

Narrator: This is the end of Section A. Please go on to Section B.

12th April, 20XX

Sunny

Today, I took the tram with Edmond after school. When we got onto the tram, we went to the upper deck. There were many tourists on the tram. Everyone was looking outside the windows and enjoying the view. We sat behind a female tourist. She was wearing a jacket and her mobile phone was in the pocket of her jacket. At the next stop, a man got on the tram and sat next to the tourist. He kept looking at the tourist's mobile phone. Then he took it out from the pocket! The tourist was still looking outside the window. We quickly told the tourist about this! The tram driver stopped the tram and called the police. Finally, the police took the man to the police station.
