Venus: Welcome to Lee's Toy Factory! Thank you for joining our 1-day tour in the factory. I am sure you will not be disappointed by today's tour. You will learn about how toys are made. At the end of the tour, everyone can get a free toy as a souvenir. Remember to pick it up at our souvenir shop. Before that, let's start our tour with a brief introduction about the history of this factory. When I was small, I loved playing toys. I guess all of you were the same, right? I loved playing different kinds of toys, especially electronic toys. I was fascinated by their sounds and movements. That raised my interest in making toys. Therefore, I studied hard to get into university and studied Electronic Engineering. The lessons inspired me a lot on making electronic toys. You may have many electronic toys nowadays, but when I was small, they were not common. After I graduated, I started this factory to make electronic toys. Toys made me happy during my childhood, so I want to bring the joy to children today. I want every child who plays toys made in our factory to have a happy childhood. OK, I hope you have a clearer understanding about my factory now. We will now go this way and learn about the process of toy-making.

Narrator: Check your answers now.

- Mum: That's a good idea! Hold on, your Dad told me last night that he is having a meeting on 7th August. You have the piano exam on 1st August. That means we only have 5 days for the trip. That is too short for going to Canada.
- Eric: I see. Then we have to visit places in Asia, for example, Bangkok? Food are delicious there!
- Mum: But Dad will travel to Bangkok for a business trip in July. I think he would love to travel to a different place after that.

- Eric: Great! I would like to drink the bubble tea there too. Mum, can we go to Taipei? I want to visit Aunt Teresa!
- Mum: Of course. But I have to call her first to see whether she would be free. She told me in her last e-mail that she is busy practising for the ballet competition in September.
- Eric: OK. Thanks Mum. I wish she would be free during the days we travel there. I want to play with her dog Bobby!

- Eric:** Hmm, I am not sure about that. What do you recommend?
- Shopkeeper:** How about some colour pencils? Many people like the wide range of colours that our colour pencils have.
- Eric:** But it may cost too much if I order boxes of colour pencils. Is there anything cheaper?
- Shopkeeper:** Pens will best suit you then. They are not expensive and the quality is good.
- Eric:** Great. I want that please. Let me see, I need to order a dozen of them. Oh no, I forgot about classmates from my previous school. There are 8 of them.
- Shopkeeper:** You need 20 pens in total, right? Let me tick this box.
- Eric:** Thanks. Can I choose the colour of the pens?
- Shopkeeper:** Sure, what colour do you want?
- Eric:** Thank you! I want 10 in pink for the girls and 10 in blue for the boys.
- Shopkeeper:** Let me write it down under 'Special Request'. 10 in pink and 10 in blue.
- Eric:** Can I add a message on the pens?
- Shopkeeper:** Yes, we will print the words on the pens. The service costs \$50.
- Eric:** No problem. I want to add 'Thank you for coming'.
- Shopkeeper:** OK. I will write the message down. 'Thank you for coming.' All the pens cost \$200, plus the \$50 for the messages added, it is \$250 in total.
- Eric:** All right. I will pay in cash when I come to take the pens.
- Shopkeeper:** No problem. Could you please leave your name and phone number?
- Eric:** Sure. My name is Eric Au and my phone number is 9641 3429. When will they be available?
- Shopkeeper:** It usually takes 5-7 days to produce them. I think they would be ready on 23rd February.

Tonight, I went to the supermarket with Mum after dinner. We went to the snack corner to pick some potato chips. A lady entered the supermarket. She was holding a trolley. She put her shopping bag on the trolley. I can see her purse inside the shopping bag. There was a man following her. The man looked suspicious. When the lady was picking some snacks, the man took away her shopping bag and ran out. Mum and I were surprised. We reminded the lady immediately and told the security guard about that. Luckily, the man was caught before he left the supermarket. The lady thanked us for our help.
