#### All About Myself

Hi, ~~you are very lucky to know me!~~ I am Andrew Choi, and you can call me Andrew or 'Piggy'. I am 12 years old.

I study in S.1C at East Island School. I would like to share my lifestyle and make more friends.

Let me tell you how I look. I am quite tall, and I have short dark hair, large eyes, a small nose and fair skin. I am a cheerful boy and I like laughing a lot!

My family is something I treasure most. I come in from a big family. I live with my grandparents, parents and two elder sisters in a big house. My father is a successful businessman and my mother is a secretary. Since both of my parents are busy, it's hard for me to meet them.

So, I usually play with my sisters and my dog Bobby.

One of my interests is eating. I like all kinds of cuisine, especially Chinese food. However, my family doesn't have the habit of eating out much. This is because my grandma is very good at cooking and the home-cooked meals are much healthier. I can always taste beautiful delicious food! ( As a result / Despite this / Furthermore ), I do not know how to cook a nice dish. Maybe I should learn to cook something simple first.

Let me stop here and I will continue next time. Feel free to come visit my blog and leave your comments here. See ya!
