Dear Peony,

Knowing you're coming to Hong Kong, I'm so glad that

**I couldn't sleep for a few days**.

How excited I am! I've thought of some fun tourist spots to take you to and I'm going to **tell** you one by one in this letter!

On the first day, I'll take you to the Jumbo Floating Restaurant first. We'll set off in the morning. It was built on the sea in **Aberdeen**. We can get there by bus.

The dim sum there is very famous, like **barbecued pork buns** and **beef balls**. Besides, you can **enjoy the great sea view while eating**.

**After that**, we'll spend the whole afternoon in Ocean Park. There're many exciting rides, **such as**

the Dragon Roller Coaster and the Ferris Wheel. If you

think they're too frightening, we can **see the animals,**

**like pandas and dolphins**!

On the second day, we can go to Stanley together. It's in the southern part of Hong Kong Island so we can get there easily by bus or minibus. ~~Last year, I went on a picnic with my family there. Mum lost her purse while we were walking on the beach. She was so unhappy. Dad took her to a shopping mall and bought her a new one.~~ You can find a bustling market and a nice beach there. We can do a lot of shopping at Stanley Market because the goods there are quite cheap (even those with brands) and trendy. What's more, we can stroll along the beach and simply enjoy the breeze after shopping.

Do you have any other suggestions or comments?

Tell me if you do.

Looking forward to seeing you in Hong Kong soon!

Yours sincerely Much love,

*Samson*
