

Useful Phrases / Sentences

Encourage students to include these useful phrases and sentences in their writing.

I'm **having a good time** visiting Singapore.

Purpose: to show that you enjoy yourself by doing something

Structure: have a good time + doing something

e.g. I **had a good time** chatting with my primary schoolmates at the café this afternoon.

Your turn:

David has **a good time** playing badminton every Friday.

I **strongly recommend** you to try the local food as you have a spicy tongue!

Purpose: to strongly advise somebody to do something

Structure: strongly recommend + somebody + to-infinitive

e.g. My English teacher **strongly recommends** us to read more English newspaper to improve our writing.

Your turn:

My parents **strongly recommend** me not to stay up late.
