*Evan Almighty* is a meaningful comedy directed by Tom Shadyac. The story takes place in the 21<sup>st</sup> century America, starring Steve Carell and Morgan Freeman, who play Evan Baxter and God respectively. The main plot is a modern day retelling of the Bible story noah's ark Noah's Ark.

Evan is a reporter and later becomes a congressman. One day, he meets God. God asks him to build an ark because there will be a huge flood. At first, he does not believe it and resists doing so. Later, he changes his mind and takes God at his words. The story reaches a climax when the flood does happen. Evan saves a lot of people and animals in the end.

The film is full of wonderful characters. The character I love most is Evan Baxter. I share the same feeling with Evan as I have had similar experiences. In the past, I did not have many friends because I seldom respected others' opinions. Fortunately, ~~I met my class teacher Miss Wong. She taught me the importance of listening to others.~~ I met my class teacher Miss Wong, who taught me the importance of listening to others

Then, I started to value others' ideas. Like Evan, I have gained a lot from listening to others—I have made a lot of friends now! The scene that Evan accepts God's words touched my heart as I saw my past in the film.

*Evan Almighty* is a light-hearted and inspiring film. It teaches us that we should trust not only ourselves, but also others. I highly recommend this enjoyable and insightful film to you.
