It is my pleasure to present to you two outfits designed by myself. The theme of these outfits is 'Party Fun' and they are designed for people going to parties. ~~I spent two months on designing them and it was a hard job. Sometimes, I even skipped meals when making the designs.~~

white plush collar and fur balls is really cute. The cape is matched with a classic loose candy-patterned dress. ~~There are ruffles on the dress.~~ The ruffles on the dress are made of lace.

What do you think about the **dress** and the **bag**?

Also, the shoulder bag is a perfect match with the dress. The brown rectangular bag looks like a piece of chocolate! How sweet the dress and the bag are!

Finally, the dark brown dotted tights and leather boots make the model look both lovely and stylish!

The girls' outfit is attractive, isn't it? The boys' outfit is attractive too! The boys' outfit is as attractive as the girls'. First of all, the smart little bow tie and rolled-up trousers are both in bright red. This colour gives people a positive impression because it represents happiness. Moreover, on the model's top, the blue T-shirt matches with the grey denim blazer in colour. The decoration on the blazer is dazzling! It is a pin with black feather and sparkling plastic jewels. What is more, it is colourfully patterned with hearts! Finally, the triangle-patterned stockings, and the black and red high-cut trainers add fun to the outfit.

I am sure that these two outfits can make you stand out of the crowd! I hope you would like my designs and would put them on!

Thank you for your attention and I wish you all a wonderful night.
