

## Useful Phrases / Sentences

Encourage students to include these useful phrases and sentences in their writing.

**Not only** will it help reduce the use of extra resources, **but** it will **also** develop your creativity!

Purpose: to emphasise the ideas in both clauses are equally important

Structure: Not only + auxiliary + subject + verb,  
+ but + subject + auxiliary + also + verb

e.g. **Not only** will the course teach you to shoot and edit videos, **but** it will **also** widen your views towards film studies.

Your turn:

**Not only** \_\_\_\_\_ can regular exercise help burn excess fat \_\_\_\_\_,

**but** **it can** **also** \_\_\_\_\_ strengthen the immune system \_\_\_\_\_.

Step 5

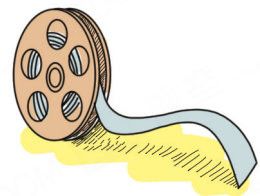

In addition, **by** donating DIY gifts or selling crafts at the school bazaar, you can give a helping hand to the charity!

Purpose: to describe the means of achieving something

Structure: By + gerund, + clause

e.g. **By** watching films produced in different countries, you will learn more about different cultures of those places.

Your turn:

**By** \_\_\_\_\_ reading the newspaper every day \_\_\_\_\_,

\_\_\_\_\_ I have improved my language a lot \_\_\_\_\_.
