

Track 01

- Narrator: Primary Three. Listening Assessment. Part A. Mimi and her dad are talking about the special events this year. Listen and complete the calendar.
- Mimi: Dad, I'm marking down some special events on my calendar. Can you check them for me?
- Dad: Sure. Which month do you want to start with?
- Mimi: September, please. There aren't any activities in this month. Is that right?
- Dad: Yes, neither in October. Let's go to my favourite month, November, then.
- Mimi: This is your birthday month, Dad! This year, your birthday is one day before the Mid-Autumn Festival. I marked it down. *
- Dad: Lovely, my dear. I know you love December the most. This is our travelling month. We're going to ski in Korea this Christmas.
- Mimi: Yeah! Let me write it down now. Travel... to... Dad, how do you spell 'Korea'?
- Dad: 'K-O-R-E-A', Korea. *
- Mimi: Got it, I'm so excited. Thanks, Dad! When will we set off?
- Dad: Right on the Christmas Day. * We're going to stay there for one whole week.
- Mimi: That means we'll come back on the first day of January! *
- Dad: Right. Just a few days before your birthday. We can have a birthday party.
- Mimi: Hurray! *
- Dad: Alright. Let's move on. Your school picnic is on the last day of February.
- Mimi: The twenty-eighth. Oh no, there're twenty-nine days in February this year. *
- Dad: Then it comes to Mum's birthday, the nineteenth of March.
- Mimi: I got it, Dad. The Games Day is in May. Parents can join it too.
- Dad: I'd love to. When is it?
- Mimi: It's on the fifteenth of May. See if you are free to come. * All happy moments come in the first half of the year. After that, I'll have the exam week in June.
- Dad: Yes. It lasts from the sixteenth of June to the nineteenth of June. *
- Mimi: I feel nervous.
- Dad: Don't be, Mimi. Mum and I are always here. Summer holidays are

- about to come then. The holidays will start on the sixteenth of July. *
- Mimi: You're right, Dad. I'll work hard. Then I can enjoy my summer holidays.
- Dad: Good girl!
- Narrator: This is the end of Part A.

Track 02

- Narrator: Part B. The students are going on a day camp in the coming week. Listen carefully and choose the best answer by blackening the circle.
- Cathy: We're going on a day camp next week. Let's have a look at the school notice and the site map about it.
- Frankie: When's the day camp?
- Katie: It's on the thirteenth of May, the coming Saturday.
- Cathy: No, Katie. It should be the fifteenth then, not the thirteenth.
- Katie: Oops... I've made a mistake. Thanks for telling me!
- Narrator: Question 1. When is the day camp? *
- Frankie: There're a lot of fun and exciting activities to do.
- Cathy: In the campsite, there is a cycle path, an archery field and a badminton court.
- Katie: Are there any tennis courts?
- Frankie: Let me see... Yes, there're three located next to the badminton court.
- Cathy: OK. How about hiking trails?
- Katie: There's a hill behind the lake but I can't find any trails on it.
- Narrator: Question 2. The campsite does NOT have _____. *
- Cathy: What activities do you want to do, Frankie?
- Frankie: I haven't made up my mind yet, but cycling is my favourite. I think I'll ride a bike there. Besides, I also want to try something new.
- Katie: How about singing karaoke? There is a big karaoke room.
- Frankie: I'd love to but I want to play in the adventure playground more. There must be a lot of amazing games waiting for us.
- Narrator: Question 3. What activities does Frankie want to do? *
- Cathy: How about you, Katie?
- Katie: I want to play tennis and try roller-skating.
- Cathy: Same as you. Do you want to make crafts with me too?
- Katie: Sorry, I'm not interested in it. Why don't we try archery? It's exciting!
- Frankie: No, we can't do archery.
- Cathy: Why? Is it because we are not strong and tall enough?
- Frankie: No. It's because we can't do it alone. We can do archery only when adults

are present to look after us.

Katie: What a pity! We'd better come with our parents next time.

Narrator: Question 4. Which of the following is NOT true about Katie? *

Question 5. Why CAN'T the children do archery? *

This is the end of Part B.
