

Ask

Dr Kim

All questions about animals are welcome!

I want to get a pet for my birthday but I don't know what to get. Do you have any ideas?

Alan, 9

Dear Alan,

It depends on what you can do for your pet. Dogs are **playful**¹ and **obedient**² but you have to spend more time on them. Parrots are **clever**³ but they can be quite **noisy**⁴.

My dog Mimi likes chasing her tail. What does this mean? What should I do?

Sabrina, 10

Dear Sabrina,

Dogs play with their tails when they **feel bored**⁵. Go and play with Mimi when you see her chase her tail!

Where should my cat sleep?

Angel, 11

Dear Angel,

Cats are **quiet**⁶. It can be anywhere that feels safe and has the right temperature.

My hamster does not sleep at night. Is he sick?

Joe, 8

Dear Joe,

Hamsters are **active**⁷ at night and are sleepiest during the day. Don't play with them when they are sleepy. They may bite you!
